The October 8-15, 2016 Honduras mission trip is almost here! We will be helping a Calvario church plant at Macuelizo (a small mountain village outside of the city) construct Sunday school classrooms. While in Honduras, we also plan to visit Nueva Esperanza, the day-care in the city that our church helps support. The total cost of the trip is \$1,200.00 and that includes airline tickets, in country transportation, meals and housing. For those going for the first time no experience is necessary. We can use your talents in many different ways. For those of you who have gone before you know the blessings given and received. If you are interested please contact John & Bonita Jones at rtjones@comporium.net.

Janie Chapman Offering for S. C. State Missions

State Goal: \$1,850,000
Tega Cay Baptist Goal:
\$1,000

Week of Prayer: Sept. 11-18

YES, LORD!

He said, "Lord, you know all things; you know that I love you."
 Jesus said, "Feed my sheep."
 John 21:17b

In John 21:17b, Peter passionately exclaims to Jesus, “Lord, you know all things; you know that I love you.” Jesus’ response to Peter is one of equal passion - “Feed My Sheep.” Through the Janie Chapman State Missions Offering, as South Carolina Baptists, we have the opportunity to give and pray so that more may be “fed” – physically and spiritually, through a variety of ministries.

Serving Our Neighbors is a ministry that is supported by Tega Cay Baptist throughout the year. SON ministries’ items to replenish are sports drinks, and plastic bottle juice. You can place your donation in SON’s food pantry located at the back of the Worship Center.

TCBC Children’s Ministry Team is on the verge of implementing a computer based child check in system called KidCheck. The safety and security of our children is of utmost importance. Moving to an electronic process will allow the guardian to access their family profile on the KidCheck app, receive text alerts when needed, and ensure that your child will only be picked up by authorized guardians. Prior to implementation, we are asking parents to go to KidCheck’s website (<https://go.kidcheck.com/signin.aspx>) and follow the prompts to establish your family account. When prompted, you should type **Tega Cay Baptist Church** and you will be asked to set up each child’s profile in your family account, which will include listing allergies, food restrictions, and any special needs. Establishing your family account prior to implementation will decrease your wait time once we go live. Let me encourage you to preview the video to better understand KidCheck and why we selected this method of security for our children. We pray that God uses KidCheck to not only ensure the safety of our children but also to aid in winning this community to Christ. If you have any questions or concerns, please see me.
